The last and best entertainment of the Entertainment Course will be given on Thursday night next (March 3rd) in the Opera House, when Miss Eileen Maguire, the Queen of Irish Song, supported by Miss Lucy Webbing, entertainer, and Mr. Walter McRaye, humorist, will appear in a repertoire of charming comedy sketches. As will be seen in another column this charming company has been substituted for the lecture by Mr. John Wetton, and those holding Course tickets will be entitled to admission to this entertainment.

The last of the series of entertainments under the auspices of the Presbyterian church, will be given on Thursday night, March 3rd. It is hoped that a well filled house will greet the performers and also help the promoters to make up a small deficit which has been incurred. These entertainments were not brought here altogether for the purpose of making money by them, but more especially to raise the standard of shows visiting here and the promoters feel that this object has been to a large extent attained at this season.

## MARRIED

## Didsbury Meets Waterloo

The hockey game between the Tigers, champions of Calgary, and the Didsbury team was a fairly fast one to the visitors, as was to be expected, on the game. The Tigers are a somewhat bunch of players, although the Didsbury team also made some good plays and kept the visitors guessing. G. M. Gaides was the referee and gave good satisfaction to the large number of spectators present.

Another game will be played on Friday between Didsbury and Lacombie, on the home ice. This is a championship game.

## Miss Eileen Maguire

FIRST AMERICAN TOUR OF IRELAND'S SWEETEST SINGER.

Direct from a triumphant tour of England, Scotland and Wales, Miss Eileen Maguire, of Cork, Ireland, comes to America for a limited number of engagements under the direction of C. P. Walker of Winnipeg. Mr. Walker has supplied his star with supporting acts of reputation and will present the organization as a number of the Star Entertainment Course on Thursday, March 3rd, in the Didsbury Opera House. The local committee, who are handling the entertainment here, are substituting Miss Maguire for the lecture announcement by Mr. Wetton, which did not seem to excite popular interest.

Miss Maguire sings the songs everyone knows. She sings the Irish song in Irish costume as only an Irish girl can sing. What Jessie McElachlan is to the Scotch, Eileen Maguire is to the Irish. Mr. Walter McRaye, humorist, and Miss Lucy Webbing, entertainer, will contribute largely to the enjoyment of the programme. Seats will be played on sale on Monday at Chambers' Drug Store.

## Cheap Lumber

There is quality in lumber, do not forget that. Poor lumber means a cold crude house, difficult to live in, difficult to rent, and difficult to sell. I carry cheap lumber suitable for some purposes, but the kind you want in your house I make a specialty of. My best grades I store in weather proof sheds. Did you ever consider how much your carpenter's time cost you to work up poor lumber. I am not advertising any cheap sale but I sell cheap all ways. Quick sales and small profits is my motto. Have you seen that Duplan I am selling at \$20.00 per M? Have you seen those Louisa at \$18.00 per M? I carry a complete stock of lumber. Anything you want you will find in my yard. No cash deposits required. You get what you see and buy and high quality and satisfaction is guaranteed.

If you contemplate building, call on me. I can figure on that plan and tell you what it will cost any time.

## "THE DEAD HAS COME TO LIFE"

A "FRUIT-IT" MIRACLE

**Mrs. James Fenwick**  
 Enterprise, Ont., October 1st, 1908.  
 "I suffered torture for seven long years from a Water Tumor. I was forced to take morphia constantly to relieve the awful pains, and I wanted to die to get relief. The doctors gave me up and my friends hourly expected my death. Then I was induced to take 'Fruit-its' and this wonderful fruit medicine has completely cured me. When I appeared on the street again my friends exclaimed 'The dead has come to life.' The cure was a positive miracle." **MRS. JAMES FENWICK.**

**How Forestry Pays**  
 The Kingdom of Prussia is getting \$24,000,000 a year out of its cultivated forests. It seems that forestry pays good dividends when the timber grabbers are kept in their proper place.—Louisville Courier Journal.

**PILES CURED IN 4 to 14 DAYS**  
**PAZO OINTMENT** is guaranteed to cure any case of Itching, Blind, Bleeding or Protruding Piles in 4 to 14 days or money refunded. 50c.

"The motto of the party is 'Turn the fascists out!'"  
 "Well, I guess your party has turned out more fascists than any other."

**FOR BABY'S TENDER SKIN**  
 Because of its delicate emollient and antiseptic properties derived from Cuticura Ointment, united with the purest of cleansing ingredients and most refreshing flower odors, Cuticura Soap is unrivaled for preserving purity and beautifying the skin, scalp, hair and hands of infants and children. In the prevention and treatment of torturing, disfiguring eczema, rashes, itching and irritations, warm baths with Cuticura Soap and gentle anointments with Cuticura Ointment often succeed when all other methods fail. Guaranteed absolutely pure and may be used from the hour of birth.

When a headache keeps a girl from resuming a caller it is a sign that he isn't the right one.

It is easier to prevent than it is to cure. Infammation of the lungs is the commonest of neglected colds, and once it finds a lodgment in the system it is difficult to deal with. Treatment with Bickel's Anti-Consumptive Syrup will eradicate the cold and prevent inflammation from settling in. It costs little, and is as satisfactory as it is surprising in its results.

"Where are you going, my pretty maid?"  
 "Going to get married, sir," she said.  
 "And am I the only one who is?"  
 "When I am divorced, sir," she said.

**By its antiseptic influence**  
**Dr. A. W. Chase's Ointment** prevents all danger from blood poisoning when applied to scalds, lumps, sores and wounds. It is soothing and healing. Takes out the fire and inflammation, heals up the sore, forms new, soft skin.  
 Dr. A. W. Chase's Ointment is best known because of its wonderful record in curing eczema, piles and all sorts of itching skin diseases.  
 There are a score of other ways in which it is invaluable in the home.

**Dr. A. W. Chase's Ointment**

has no substitute which can be compared to it as a means of stopping itching and healing the skin. Wherever its merits are known it is considered of utmost value in the cure of itching skin diseases.  
 Dr. A. W. Chase's Ointment is sold, also, at all Dealers or from The A. W. Chase Co., Toronto. Write for Free Sample, Dr. Chase's Ointment.

**A Bad Dream.**  
 A negro preacher in Georgia town was edited on one occasion by the regular of a dream had by a member of his church.  
 "I was a dreamin' all dis time," said the narrator, "dat I was in Ole Satan's dominion. I tell you, pabson, dat was shore a bad dream."  
 "Was dere any white men dere?" asked the dusky divine.  
 "Shore dere was—plenty of 'em," the other hastened to assure his minister.  
 "What was dey doin'?"  
 "Every one of 'em," was the answer, "was a-shinin' a culled pabson between him an' de fire"—Harper's Weekly.

A man was brought up on the charge of beating his wife and biting off a portion of her ear. However, the woman, good-natured soul, was anxious to screen her husband and, if possible, obtain his acquittal, as appears from her evidence:  
 Magistrate—"Your husband has been treating you very badly, eh?"  
 Witness—"Oh, no, your worship."  
 Magistrate—"No? Why, did he not bite off a piece of your ear?"  
 Witness—"No, your worship; I did it myself."

Elderly Gentleman—"Say, did you see a hat that blew off that car?"  
 Policeman—"Yes, I just threw it back on the car."  
 Elderly G.—"Great Scott! I just jumped off after it!"

**WHAT RUFUS HARRIS SAYS OF DODD'S KIDNEY PILLS.**

After Trying Five Doctors for His Kidney Disease He Found Relief in the Great Canadian Kidney Remedy.

Hurdville, Ont. (Special).—"After trying five doctors or kidney trouble, from which I had suffered for three years, I find that Dodd's Kidney Pills relieve me best of all. If I keep on feeling as I have done I mean taking Dodd's Kidney Pills I shall be well pleased and I am hoping they will cure me."

So says Rufus Harris, well known in this village. "I had stiffness in the joints," he continues, "cramps in the muscles, backache and was heavy and tired after meals. I was depressed and low spirited, perspired freely, was often dizzy and saw stars. Since taking Dodd's Kidney Pills I am feeling very good."  
 If you have any of the symptoms, Mr. Harris tells of it is time for you to be cured. These are the symptoms of the Kidney Diseases and may be the forerunners of Rheumatism, Dropsy, Lung, Heart Disease, or even the dread Bright's Disease itself. Take warning and guard against suffering or even death by putting up with Dodd's Kidney Pills.

**Kitchener's Defence Plan**  
 Sydney, N.S.W.—Premier Deakin, in a recent speech stated that the military scheme which had been received from Kitchener would make the defence act more effective. The scheme would begin to come into operation immediately, and preliminary arrangements and appointments have already been made. The scheme was devised to prevent bloodshed and invasion, and enable Australia to stand for herself in the company and to assist the empire to stand against the world.

**King Purchases Italian Villa.**  
 London.—A dispatch to the Chronicle from Milan says the beautiful villa, Brazilians, at Possipino on the Bay of Nizza has been purchased on behalf of King Edward. It is rumored, according to the dispatch, that one of the first guests the King and Queen will entertain there will be Theodore Roosevelt.

**Naval Plans May Cause Great Waste**  
 London.—The special correspondent of the Glasgow Herald says the building of Canadian Warships in Great Britain while preparing yards in Canada would be a wise and forward-sighted policy, and hopes it is not too late to prevent the present extravagant plans which are bound to result in a mass measure, in waste and failure.

**Visiting Western Cities**  
 Toronto.—Rev. T. Albert Moore, general secretary of the Lord's Day Alliance of Canada, is on his way to the west. He will visit all the larger cities between Winnipeg and the coast. Rev. Wm. Rochester, B.A., western secretary of the alliance, will accompany Mr. Moore on his tour.

**Taber Will Bare for Oil**  
 Taber.—The voting on the by-law to raise \$15,000 for the purposes of testing for gas and water resulted in the by-law being carried but by a very narrow majority.

Jonah stepped ashore.  
 "I left my records in the whale," he observed. "Anybody who wants to see them can go after them."  
 It was noticed that none questioned his exploit.

**Ingratitude**  
 "Gene, who is four years old, was delighted recently when the stork brought a long-eared baby sister. He went forthwith to announce the glad tidings to the neighbors. To his surprise, they were not inclined to believe him, especially Edward, his cousin, who stoutly scoffed the idea of a new arrival at Gene's house. With trembling lip Gene ran to his mother and threw himself against the bed.  
 "Just think, mother," he wailed, "Edward won't believe I've got a baby sister. And you know"—here his sense of the world's ingratitude grew stronger, and he wailed afresh—"you know how good I was to him when they had kittens over at his house!"

**A MOTHER'S PRAISE FOR BABY'S OWN TABLETS**  
 There are thousands of mothers throughout Canada who have no hesitation in saying that the good health enjoyed by their little ones is entirely due to the judicious use of Baby's Own Tablets. And there are many mothers who do not hesitate to say that at a critical period Baby's Own Tablets have saved a baby's life. Such a mother, Mrs. J. A. Forster, Paquetville, N.B., says:—"We give Baby's Own Tablets all the credit for keeping our little one well. They are an excellent medicine for children."  
 Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The Modern Mother (to her daughter):—"Look here, my dear, I am going to give a bridge party this afternoon, and I want you to stay and fill in."  
 Daughter (wearily):—"Oh, mother, I—"  
 Mother—"That's it. You are all alike. Never ready to help me in my household duties."

The chaps of Mother Graves' Worm Expeller cut out at within reach of all, and it can be got at any druggist's.

**Not Unprofessional**  
 One of the best stories told about Mr. Birrell concerns a poor client who, after having been told nothing, when the case had been won, the client gratefully sent him the sum of ten dollars, which he had accepted in order not to give offence.

A colleague reproached him, however, for taking less than gold.  
 "But I took all the poor beggar had," said Mr. Birrell, "and I consider that is not unprofessional."

 "But you couldn't understand what he said, you know," said the mother.  
 "Van" thought over this for a while. "What do they speak at the North Pole?" he asked.  
 "Polish!"

## Married Women's Rights

A bill has been brought before the Alberta Legislature regarding the rights of married women in the estates of their deceased husbands, a copy of which has just been received.

The bill provides that if the widow receives less by the will of the deceased husband than she would if he died intestate she may apply to the Supreme Court for relief, and application to be made by notice of motion in the matter of the estate of the deceased and served upon the executors or administrators of the deceased, said application to be supported by an affidavit of the applicant setting forth the facts entitling her to such relief.

There are certain circumstances governing the grant of allowance, such as the value of the property passing under the will and the persons inhering the applicant to whom or for whose benefit it passes, the condition, circumstances and occupation of the parties interested; the relations subsisting between applicant and deceased at any time during his lifetime or any other circumstance proper to be considered.

The allowance may be by lump sum or otherwise, and any answer or defense that would have been available to the husband in any suit for alimony shall equally be available to his executors or administrators in any application under this Act. Any order made by the Court upon the application can be enforced in the same way and by the same means as any other judgment. No application will be entertained after six months from the death of the husband.

The March number will contain the special exclusive feature, a splendidly illustrated article on the "Hackney Horse" by R. E. Stecher, president of the American Hackney Society, "Books and Spades," a strong and practical article on spring farming, which by J. C. Smith; the concluding installment of "Our Fertile Soil," by R. ## About Half the Time

half the Watches that people carry are not doing their  
best work.  
Not cleaned or thought about maybe for years how  
could a watch be expected to render good service.  
I am soliciting your watch work and am able to render you  
unquestioned satisfaction.  
And by doing this I do more than give you accurate time  
keeping, I add years to the life of your watch.  
This is worth the cost.

H. E. Osmond played a friendly game  
with a rink made up by J. Johnson,

was an even one and resulted in a  
score of 9-10 in favor of the Carstairs
